## The Priest or Deacon sings the Gospel:

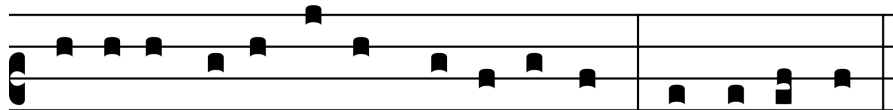

Lécti- o sancti Evangé- li- i se- cúndum Jo- ánnem In il- lo témpo- re:

Dix- it Je- sus discípu- lis su- is: Si quis dí- li- git me, sermónem me- um ser-

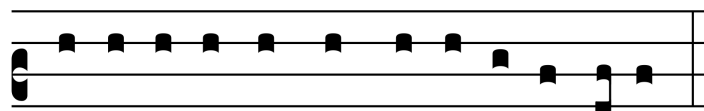

vá- bit, et Pa- ter me- us dí- li- get e- um, et ad e- um ve- ni- émus, et man-

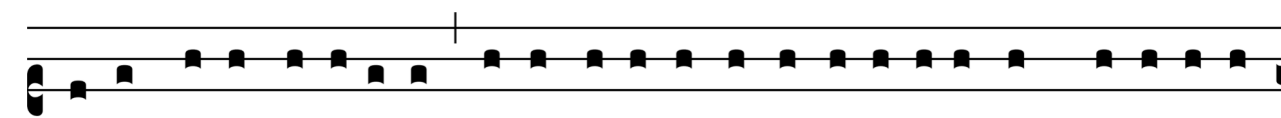

si- ónem apud e- um fa- ci- émus. Et ré- liqua.

## Lector 1

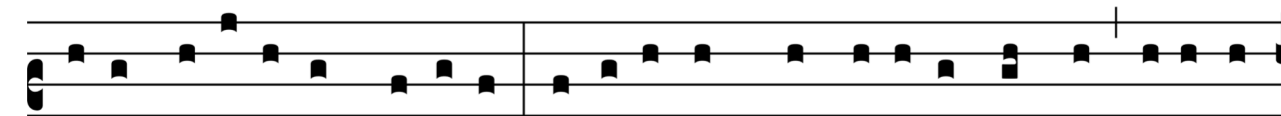

Homi- lí- a sancti Gre- gó- ri- i Papæ.

Li- bet fratres ca- ríssimi, e- vangé- li- cæ verba lecti- ónis sub bre- vi- tá- te

transcúrre- re, ut post di- ú- ti- us lí- ce- at in contempla- ti- óne tantæ

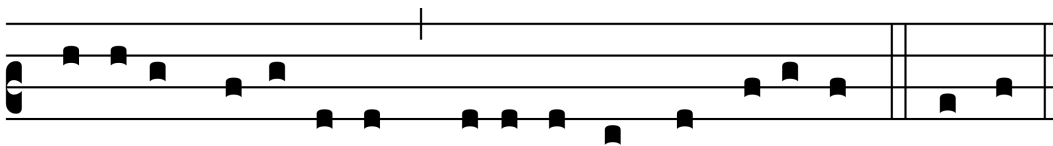

so- lemni- tá- tis immo- rá- ri. Hó- di- e namque Spí- ri- tus Sanctus repentí-

no sóni-tu super discípu-los ve-nit, mentésque carná-li- um in su- i amó-  
rem permu-tá-vit, et fo-ris appa-réntibus linguis ígne- is, intus facta  
sunt corda flammánti- a; qui- a dum De- um in ignis vi- si- óne suscepé-  
runt, per amó-rem su- á-vi-ter arsé-runt. Ipse namque Spí-ri-tus Sanctus a-  
mor est: unde et Jo- ánnes di- cit De- us cá-ri- tas est. Qui ergo mente  
 ínte-gra De- um de- sí- de- rat, pro- fécto jam habet, quem amat. Neque e-  
nim quisquam posset De- um di- lí- ge- re, si e- um quem dí- li- git, non ha-

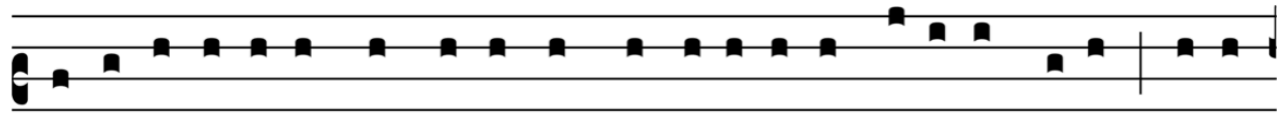

bé- ret. *ŷ.* Tu autem, Dómi- ne, mi- se- ré- re nobis. *Ŕ.* De- o grá- ti- as.

## Lesson 2

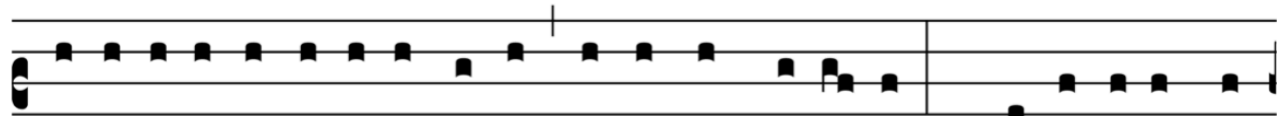

Ju be, domne, bene- dí- ce- re.

¶.Di-vinum auxí- li- um máne- at semper nobíscum. ¶.Amen.

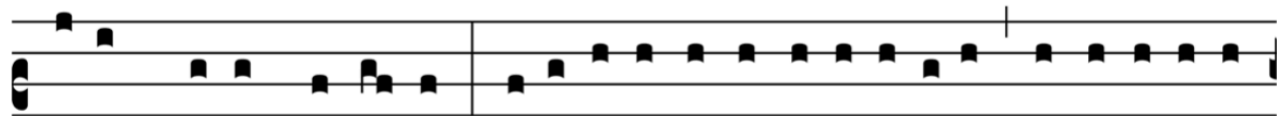

Sed ecce, si unusquísque vestrum requi-rá-tur an dí- li-gat De- um: to-ta

fi-dú-ci- a et se-cú-ra mente respóndet, Dí- li- go. In ipso autem lec-

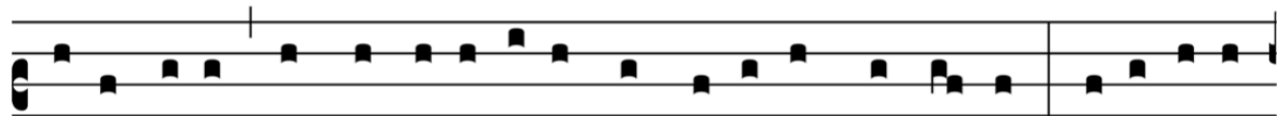

ti- ónis ex-ór-di- o audís-tis quid Vé-ri-tas di-cit: Si quis dí- li-git me, ser-

mónem me- um servá- bit. Probá-ti- o ergo di-lecti- ónis, exhi-bí-ti- o

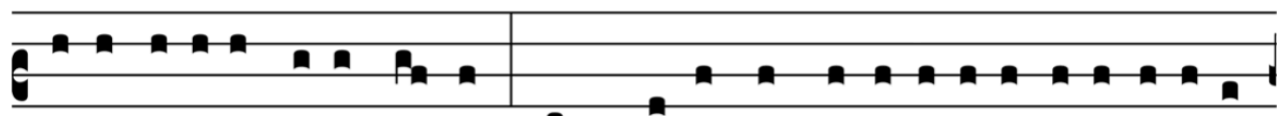

est ópe-ris. Hinc in e-píst-o-la su- a i-dem Jo- ánnes di-cit: Qui di-cit: Dí-

li-go De- um, et mandá-ta e-jus non custó-dit, mendax est. Ve-re ét-e-

nim De- um di- lí-gimus et mandá-ta e-jus custo-dímus, si nos a nostris

vo-luptá-tibus co- arctá-mus. Nam qui adhuc per il-lí-ci-ta de-si-dé-ri- a

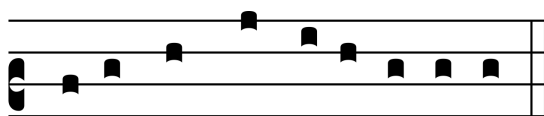

díflu- it, pro-fécto De- um non amat: qui- a e- i in su- a vol-untá-te

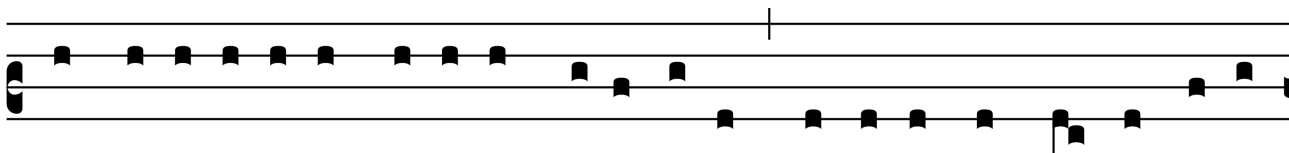

contra- dí- cit. *ŷ*. Tu autem, Dómi-ne, mi-se-ré-re nobis. *Ŕ*. De- o grá-ti- as.

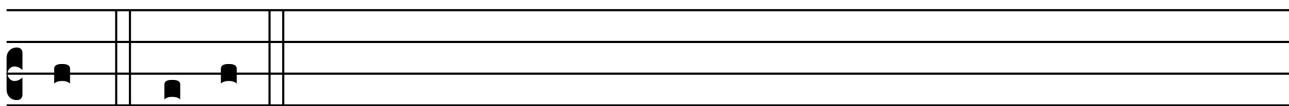

### Lesson 3

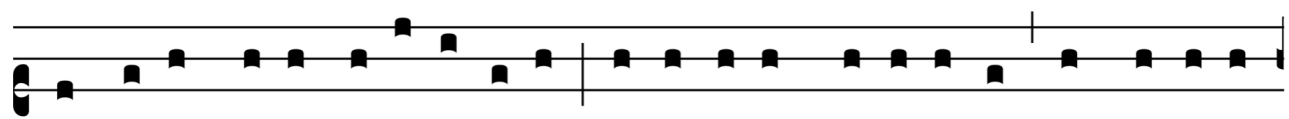

Ju be, domne, bene-dí- ce- re.

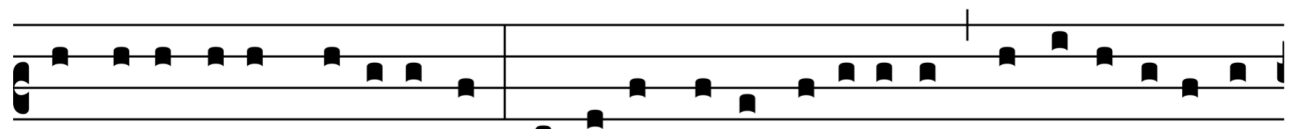

*ŷ*. Ad so- ci- e- tá- tem cí- vi- um supernó- rum perdú- cat nos Rex Ange- ló-

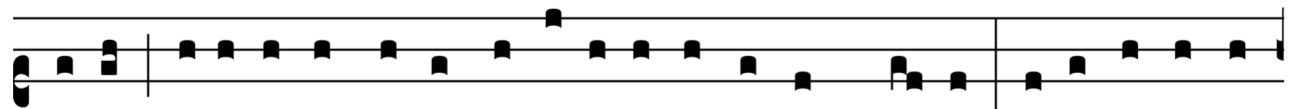

rum. *Ŕ*. Amen.

Et Pa- ter me- us dí- li- get e- um, et ad e- um ve- ni- émus, et mansi- ó-

nem apud e- um fa- ci- émus. Pensá- te, fratres ca- rí-ssimi, quanta sit ista díg-

ni- tas, há- be- re in cordis hospí- ti- o advéntum De- i. Certe, si domum

nostram quisquam di-ves aut prápo-tens amí-cus intrá-ret, omni festi-nán-  
 ti- a domus to-ta munda-ré-tur, ne quid fortásse esset, quod ócu-los amí-  
 ci intrántis offénde-ret. Tergat ergo sordes pra-vi ópe-ris, qui De- o prá-  
 pa-rat domum mentis. Sed vi-dé-te quid Vé-ri-tas di-cat: Ve-ni- émus, et  
 mansi- ónem apud e- um fá-ci- émus. In quo-rúmdam ét-e-nim corda ve-  
 nit, et mansi- ónem non fá- cit: qui- a, per compuncti- ónem qui-dem,  
 De- i respéctum percí-pi- unt, sed tenta-ti- ónis témpo-re hoc ipsum quo  
 compúnci fú- e-rant, obli- viscúntur; sicque ad perpetránda peccá-ta ré-  
 de- unt, ac si hęc mí-nime planxíssent. *ŕ*. Tu autem, Dómi-ne, mi-se-ré-re  
 nobis. *ŕ*. De- o grá- ti- as.
